

Rodney Goulet

I would like to submit my expression of interest to join the Board of Motorcycling Victoria.

Background

I have a love for the sport ever since I got my first bike at age 14.

I actively participate with my children, and have done so for over 16 years. Between myself and my four kids, we all currently hold race licences and race across regions, state titles and nationals within Motocross, Supercross and Enduro.

I have been a member of the Officials Panel for over 5 years, of which the last 3 years I have served as the Chairperson. I have also been a member of Motocross Management for the last 4 years. I am a Level 3 official and I volunteer as a venue inspector.

Objectives

I would like to be nominated to the Board because:

- I want to help increase participation in the sport, especially among juniors which I believe is the heartbeat of our sport
- I want to participate in decisions and activities that lead to increased safety
- Most of all, I want to actively help participate in bringing solutions to the table
